

Datenblatt für Artikel: HEL29LL03L

# LWL LED Patchkabel Premium, Duplex, LCD/ LCD, E09/125, OS2 3m

LSD02200030

## Technische Daten

|                               |                      |
|-------------------------------|----------------------|
| Nettolänge (mm)               | 30,00                |
| Nettobreite (mm)              | 240,00               |
| Nettohöhe (mm)                | 200,00               |
| Nettogewicht (kg)             | 0,06                 |
| EAN                           | 4055516018304        |
| UVP                           | 27,41                |
| Min. Umgebungstemperatur (°C) | -30                  |
| Max. Umgebungstemperatur (°C) | 70                   |
| Patchkabellänge (m)           | 3                    |
| Faser                         | 9/125 OS2 Singlemode |

| BEZEICHNUNG                                                                 | BEST.NR.   |
